

Are you interested working in an environment where you can fully apply your strengths?
Come and work with us in **Alphen aan den Rijn** as a

PROJECT MANAGER (m/f/d) for project acquisition and site execution

Every day, people around the world live, work and play on ground prepared by Keller, the world's largest geotechnical specialist contractor. Keller is presented in over 40 countries across 6 continents with more than 150 years' experience and 10,000 employees.

Your tasks:

- ▶ Actively expanding our existing services in ground engineering and further developing our business activities in the Dutch geotechnical sector
- ▶ Working in close cooperation with colleagues on project acquisition, including customer service, customer advice and conducting contract negotiations
- ▶ Responsibility for cooperation with suppliers and subcontractors
- ▶ Provide expertise in the area of project management, engineering, and risk management to run geotechnical projects in line with technical and economic targets
- ▶ Opportunity for a career development as a branch manager

Your profile:

- ▶ A successfully completed degree in civil engineering
- ▶ 8+ years of experience in geotechnics – high level of project management skills and successful acquisitions and executions of geotechnical projects
- ▶ Extensive knowledge of the Dutch geotechnical market and a good network within the construction industry
- ▶ Excellent negotiation skills and distinctive presentation and communication and contact skills
- ▶ The ability to think and act in a cost-effective manner with well-defined cost awareness
- ▶ Negotiation and business communication skills in English (solid business communication skills in German and Dutch desirable)
- ▶ Flexibility and willingness to go on regular business trips in the Netherlands and Germany

Your application:

Please send us your application with your salary requirement and your possible entry date to:

personal.de@keller.com. If you have any further questions, please do not hesitate to contact Markus Bittermann (HR Manager Central Europe) under +49 69 8051-231.
